# Introduction

## Coronavirus: Pub customers hid in cupboards during raid

🕒 29 April 2020

# Provider Perspective

- **Facing your worst fear**
- **1/4 drink more - 1/3 drink less**
- **20% of need worked with**
- **Lower adverse impact than expected**

# How we have adapted

- **Safety and wellbeing**
- **Transformed delivery**
- **Collaboration**

# Trends

- **Adverse impact – key populations**
- **Greater efficiency**
- **Temporary issues**
- **Unmet needs**

# Impact of COVID-19 in the long term

- Innovate delivery
- Target Groups
- Make social changes
- Unmet needs

## DrinkCoach App

Available on iOS and Android smartphones and tablets, our free app features a range of tools proven to help reduce your intake.

FREE DOWNLOAD

## Online Coaching

A professional, convenient and confidential way to discuss your drinking and receive expert guidance from an alcohol treatment specialist.

# How can we work effectively together

- **Keep positive changes and collaboration**
- **Implement our consensus**
- **Separate drug and alcohol provision**
- **Steward system for local authorities**

# Thank you
