

JOINTLY OWNED BY

Local Climate Action Plans

Jo Wall – Strategic Director, Climate Response

06/10/21

WHO WE ARE

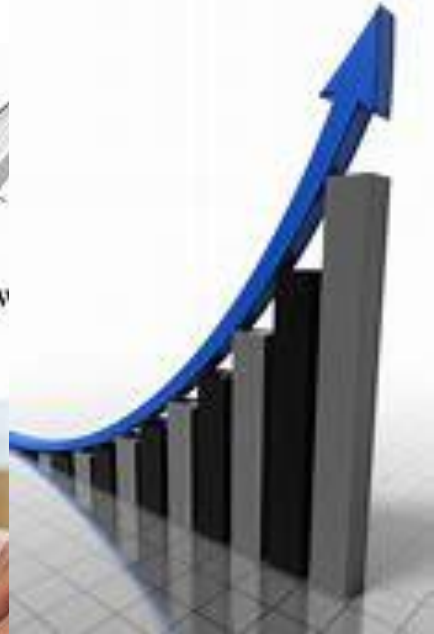

JOINTLY OWNED BY

Jo Wall,
Strategic Director,
Climate Response

What constitutes a good plan?

Clarity and focus on pace

Where to Start

Know your data

- Where do your emissions come from?
- Baseline and publish. ([Local Partnership Greenhouse Gas Accounting Tool](#))

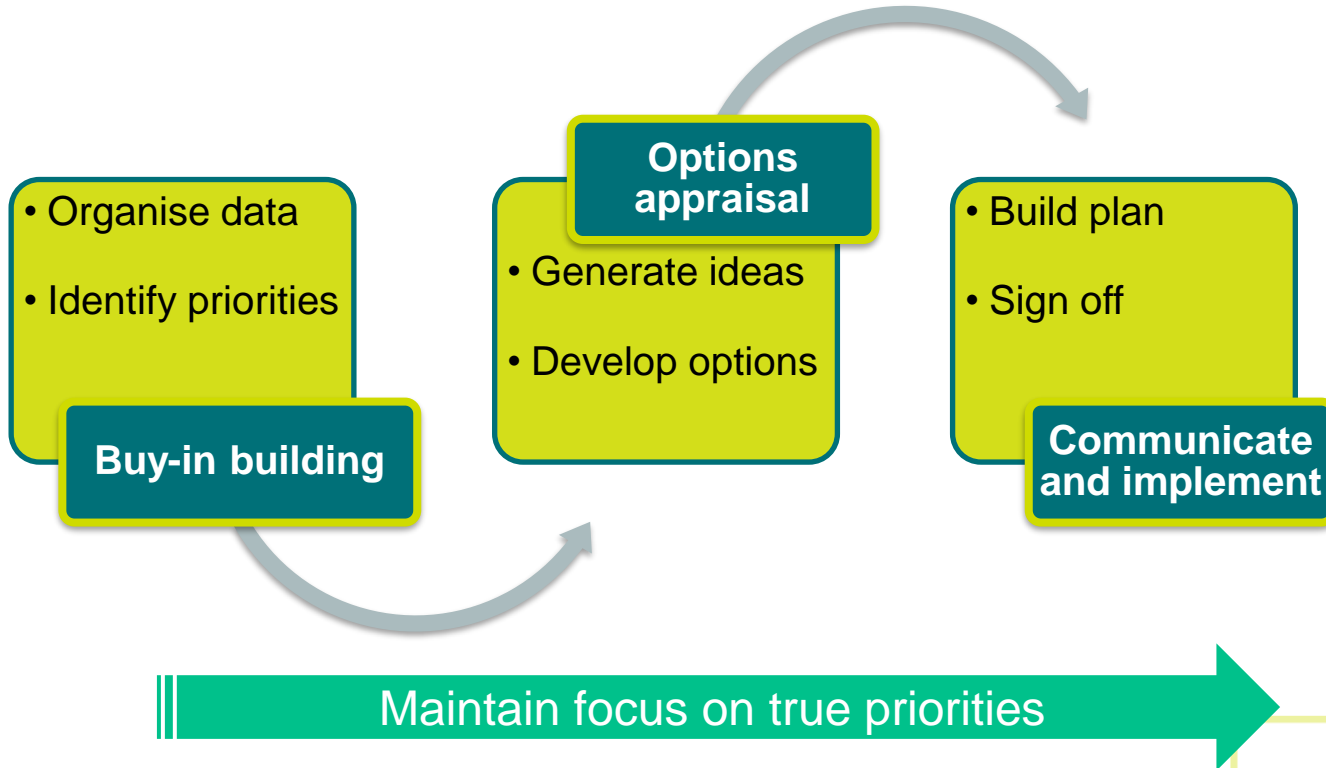

Control v Influence

Target your resources

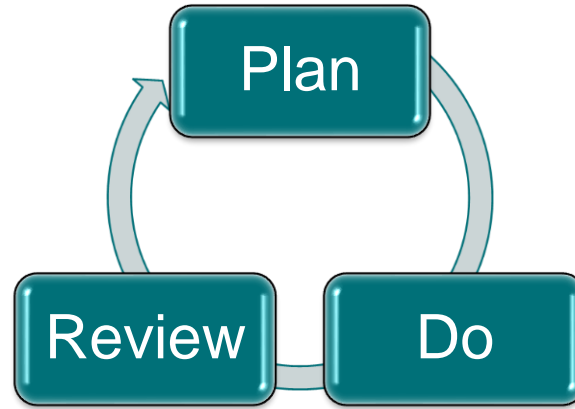

Developing a Plan

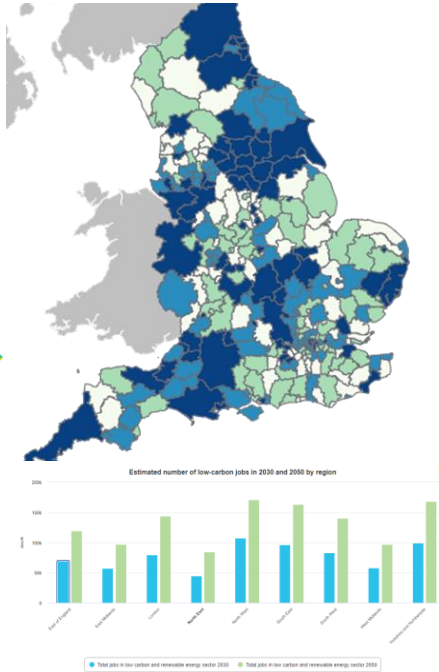

Plan Monitoring

- SMART plans are easier to monitor
- Purpose of ghg accounting is to drive action
- Publish annual progress report
- Review plan and include new actions as confidence grows

- Focused and trained resources
 - Effective decision making
 - Good use of data
 - Benefits reporting

Wider benefits - messaging
