SYSTEMS DESIGN WORKING GROUP: SUMMARY OF ISSUES

A PAPER DRAFTED BY THE LOCAL GOVERNMENT ASSOCIATION

1. The attached table has been drafted by the LGA.
2. It draws upon the papers and minutes from both the Government and local government sides to the Systems Design Working Group, with an aim of providing a succinct summary of how far the Group has got in the six months it has been meeting and the next steps from both Government and Local Government sides.

Comments from members of the Group are invited.
