

The complex landscape of fragmented funding for culture

90% of funding sources provide funds for three years or less

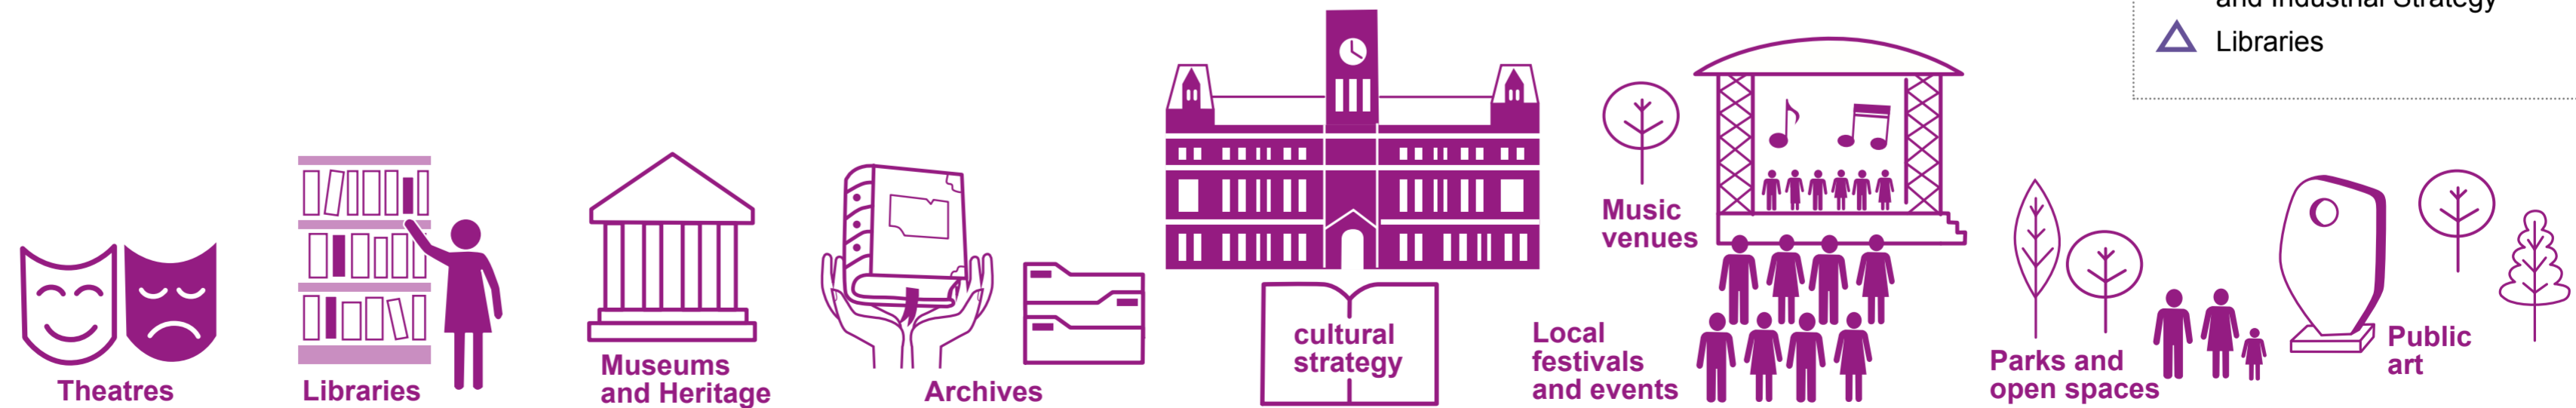

Only 25% are likely to be in existence in three years' time

90% are competitive

Key

- National Lottery Heritage Fund
- ▼ National Lottery Community Fund
- ⬡ Department for Levelling Up, Housing and Communities
- Arts Council England
- Department for Culture, Media & Sport
- ⬢ Department for Education
- Other charitable body
- Historic England
- ▼ Other non-departmental governmental body
- Some Metro Mayors
- Some Combined Authorities
- ▲ Some Local Enterprise Partnerships
- Department for Business, Energy and Industrial Strategy
- △ Libraries

Source for funding sources and their attributes is research carried out by RedQuadrant for this work with leaders and members of the Local Government Association and Chief Cultural and Leisure Office Association. Due to the complexity of funding sources, this research is not comprehensive but does provide a good indication of the whole range of funding sources as understood.
